## ABOUT

- I am Student currently enrolled in a CS Bachelor program seeking to apply learned skills and expand knowledge while experiencing the working field. Currently a junior, exploring new ways to learn and improve while at the same time accomplishing something. Recently started working on a project of my own. A mobile game using Unity and application using Android Studio.

## PROJECTS

- Takeotech's Contracto  
Contract Manager project – working on database and backend
- Android Studio Budget App  
Own budgeting app, first version found in GitHub
- Unity Mobile Game  
Own project to learn Game Design
- Lookout  
Website for most often received phishing emails created with Angular and Firebase, 2nd place winner in Troy Hackathon
